nobilia® elements

More space in your **life.**

nobilia elements
rapid delivery programme.

one

Quick and simple for
individual preferences.

two

Pre-assembled
Modular and suitable for
flexible expansion.

three

Top quality is
our standard.

nobilia® elements

The intelligent and modular quick delivery program by nobilia

Whether you are moving to a new town, starting a family or building a house: Home living environments change. From one day to the next you suddenly need a new kitchen, new bathroom or living room furniture. Simply and quickly. Without complications. That's what has to be offered by a modular one-two-three concept with furniture elements that reach you quickly. At all times and with options for expansion in the future. With great quality standards. And that's exactly what we've got for you.

Our innovative and modular quick-delivery program nobilia elements offers a suitable solution for any lifestyle. It's quick. It's flexible. It's expandable. The modular living concept opens up a world of options. Whether in the kitchen, bathroom or living room: The furniture elements can be combined and are available quickly. And they are pre-assembled.

For more space in your life.

Simple and modular planning.
Simply good. Simply fast.

Your new furniture is pre-assembled and will reach you in no time at all. With us you can get exactly what you want. Choose from different service options for the solution that fits your needs.

Integrated living concept

Simple modular system

nobilia quality

Pre-assembled furniture

Quick availability

High level of service

First-class furniture in nobilia quality.

Made in Germany.

Thanks to our use of high-quality materials, nobilia elements products are guaranteed to be reliable and long-lived: They feature quality handles made of metal, cushioned hinges and drawer systems as well as sturdy front and worktop décors.

nobilia means certified quality:

KSET-E11

KSET-E13

For more space in your life.

Whether you need a kitchen for a single-person home, a student flat, a kitchen for daily commuters or a family – the flexible nobilia elements module kit can be adapted to any situation.

Unbeatable value for money.

nobilia elements is so reliable because all materials we use are extremely high quality. The cushioned hinges, quality handles, reliable and long-lived drawer systems have all undergone intensive testing at nobilia's own lab.
